This Extenuating Circumstances Policy explains how cancellations are handled when unforeseen events beyond your control arise after booking and make it impracticable or illegal to attend your tailgate.

When this Policy allows for cancellation, it controls and takes precedence over the Listing's cancellation date or policy. Guests that are impacted by an event covered by this Policy can cancel their reservation and receive, depending on the circumstances, a cash refund, tailgate credit, and/or other consideration. Hosts that are impacted by an event covered by this Policy can cancel without adverse consequences, but, depending on the circumstances, their calendars may be blocked for the dates of the cancelled reservation.

What events are covered

This Policy uses the term “**Event**” to refer to the following situations that occur after booking, are unforeseen at the time of booking, and prevent or legally prohibit completion of the reservation.

This Policy uses the term “Event” to refer to the following situations that occur after booking, are unforeseen at the time of booking, and prevent or legally prohibit completion of the reservation.

Examples of situations that this Policy does not allow cancellations for include unexpected disease, illness, or injury; government obligations like jury duty, court appearances or military duties; travel advisories or other government guidance (that fall short of a travel ban or prohibition); and transportation disruptions unrelated to a covered Event like road closures, as well as flight, train, bus and ferry cancellations. Rebooking and Refund Policy

This Rebooking and Refund Policy explains how we will assist with rebooking a Tailgate reservation and how we handle refunds when a Host cancels a Tailgate reservation, or another Tailgating Issue disrupts a stay.

What happens if a Host cancels before the Tailgate

If a Host cancels a Tailgate, their guest(s) will automatically receive a full refund. If the guest contacts us and the cancellation is more than 48 hours prior to the start of a Tailgate, we will also assist the guest with finding comparable Tailgate if available. If a Host cancels within 48 hours of the start of a Tailgate, as defined by the listing, Somanystadiums.com will be unable to aid in finding an alternative Tailgate for the guest. **To discourage Host cancellations, the Hosts are charged increasing penalties equal up to the full amount of Bookings made on the Tailgate.**

What happens if another Issue disrupts a Tailgate

Other Tailgate Issues must be reported to us no later than 24 hours after discovery. If we determine that a Tailgate Issue has disrupted the Tailgate Experience, we will provide a full or partial refund depending on the circumstances of the disruption. The amount refunded depends on the severity of the Tailgate Issue, the impact on the guest, the portion of the Tailgate affected, and when the guest left the Tailgate. Given the limited time of a Tailgate, Somanystadiums.com will be unable to provide an alternative to the Tailgate.

What Tailgate Issues are covered

The term "**Tailgate Issue**" refers to these situations:

- Host cancels the reservation prior to check-in.
- Host fails to provide the location of the Tailgate. Note, not being able to find the actual location does not constitute a Tailgate Issue
- The Tailgate presents a safety concern to the Guest:
 - Host and/or other participants cause the Guest to feel unsafe or threatened.
- Listing contains a material inaccuracy such as:
 - Incorrect Tailgate Category.
 - Amenities do not match the listing.
 - Incorrect locale of tailgate. A tailgate lot that does not have a high level of other tailgating activity does not constitute a Tailgate Issue.

Note: Tailgate Hosts are providing an experience. They are not food vendors. Availability and shared consumption of food or beverages is always at the option of the Host. Never consume anything you feel is not safe to eat or that you may be allergic to.

How claims work

To be eligible for rebooking assistance or a refund, the guest who made the reservation may submit a claim by contacting us. Claims must be made to us no later than 24 hours after discovery of the Tailgate Issue and supported by relevant evidence such as photographs or confirmation of the conditions by the Host. We will determine whether a Tailgate Issue has occurred by evaluating available evidence.

How this Policy affects Hosts

If a Host cancels a stay or another Tailgate Issue disrupts a stay, the Host will either receive no payout or will have their payout reduced by the amount of the refund to their guest.

In most circumstances we will attempt to confirm a guest's claim with their Host. Hosts can also dispute a Tailgate Issue by contacting us.

Other things to be aware of

This Policy applies to all Tailgate reservations made on or after the Effective Date. When this Policy applies, it controls and takes precedence over the reservation's cancellation policy. Before submitting a claim, whenever feasible, the guest must notify the Host and try to resolve the Tailgate Issue directly with their Host. We may reduce the amount of any refund e under this Policy to reflect any refund or other relief provided directly by a Host. As part of providing rebooking assistance, **we are not obligated to pay for, or contribute to the cost of alternative Tailgating experiences from other Third Parties.** We may also provide guests with the option of applying the value of a canceled reservation to new Tailgates, or of receiving Tailgate credit, in lieu of getting a cash refund.

Where a guest demonstrates that timely reporting of a Tailgate Issue was not feasible, we may allow for late reporting of the Tailgate Issue under this Policy. Tailgate Issues that are caused by the guest, co-guests, or their invitees or pets are not covered by this Policy. Submitting a fraudulent claim violates our Terms of Service and may result in account termination.

Our decisions under this Policy are binding, but do not affect other contractual or statutory rights that may be available. Any right that guests or Hosts may have to initiate legal action remains unaffected. This Policy is not insurance, and no premium has been paid by any guest or Host. All rights and obligations under this Policy are personal to the booking guest and

Host of the reservation and may not be transferred or assigned. Any changes to this Policy will be made in accordance with our Terms of Service.

Host Cancellation Policy

Effective Date: August 22, 2023

While cancellations by Hosts are rare, and some cancellations are beyond a Host's control, certain cancellations by Hosts can disrupt guest plans and undermine confidence in our community. For that reason, under certain circumstances, if the Host cancels a confirmed Tailgate reservation, or if the Host is found to be responsible for a cancellation under this Policy, Somanystadiums.com may impose fees and other consequences. The fees and other consequences set out in this Policy are intended to reflect the costs and other impacts of these cancellations on guests, the broader Host community and Somanystadiums.com. We will waive the fees and, in some cases, the other consequences, if the Host cancels because of Extenuating Circumstances or certain valid reasons beyond the Host's control.

Cancellation fees

We will impose fees subject to a minimum cancellation fee of \$5 USD and a maximum cancellation fee of the total bookings cancelled on the Listing. The fee is based on the Tailgate reservation amount and when the Tailgate reservation is canceled:

If the Tailgate reservation is canceled within 48 hours or less of the start of the Tailgate, the fee is 100% of the total Tailgate Bookings amount associated with cancelled Listing.

If the Tailgate reservation is canceled more than 48 hours before the start of the Tailgate, and 30 days or less, before the start of the Tailgate, the fee is 35% of the total Tailgate Bookings amount.

If the reservation is canceled more than 30 days before check-in, the fee is 10% of the total Tailgate Bookings amount.

When calculating cancellation fees, it is based on the Total Bookings associated with the cancelled Tailgate, with a minimum fee of \$5.

Cancellation fees are typically withheld from the next payout(s) to the Host as provided in the Payments Terms of Service. In addition to the fees and consequences set out in this Policy, Hosts who cancel, or are found responsible for a cancellation, will not receive a payout for that reservation, or, if the payout has already been made, the future payouts will be reduced accordingly. If the Host does not generate Tailgate Bookings within 30 days, they will be charged directly via invoice for the cancellation. Failure to pay will result in removal from the Somanystadiums.com platform and potential debt collection.

Situations in which fees may not apply

If there are no Booked Guests, then there is no charge to cancel a Tailgate Listing.

We will waive the fees set out in this Policy in appropriate situations, for example if the Host cancels because of Extenuating Circumstances or certain valid reasons beyond the Host's control.

In the event a fee is waived, other consequences may still apply, like blocking a Listing's calendar.

Hosts who believe one of these situations applies will be required to provide documentation or other support. We will determine whether to waive any fees and other consequences after evaluating the evidence.

Other consequences

In addition to a cancellation fee, other consequences may apply, such as preventing the Host from accepting another reservation for the Listing on the affected dates by blocking the Listing's calendar. A calendar block prevents the Host from accepting another reservation for the Listing on the affected dates.

Hosts who cancel confirmed bookings without a valid reason may experience other consequences, as explained in our Terms of Service. For example, Hosts may have their Listing or account suspended or removed.

When a Host is found responsible for a cancellation

Where this Policy mentions a Host being found responsible for a cancellation, it refers to situations where conditions are grossly and materially different from how the Listing was described at the time of booking. Examples may include gross Listing inaccuracies that materially disrupt a guest Tailgate experience, like listing a Tailgate as "Party Time" when it is really a "Pleasant Pregame" or the Tailgate is in a spot materially different than listed. A Tailgate that is provided under these circumstances can also be treated as a Host Cancellation and subject to the same set of cancellation fees previously provided.

Other things to consider:

A Host must promptly cancel a reservation that the Host cannot honor and may not encourage the guest to cancel the reservation.

Providing false statements or materials in connection with this Policy violates our Terms of Service and may result in account termination and other consequences.

This Policy applies to cancellations that occur on or after the effective date. Any right that guests or Hosts may have to initiate legal action remains unaffected. Any changes to this Policy will be made in accordance with our Terms of Service.

Reviews Policy

Reviews help build the Somanystadiums.com community between Hosts and guests. They help our community make informed Tailgating decisions and provides guests and Hosts with honest feedback to help them improve. Our reviews policy is intended to help ensure the feedback provided through our review system is authentic, trustworthy, and useful to our community.

Reviews must be unbiased, contain relevant information reflecting the actual experience of the reviewer during the Tailgate, and follow our Content Policy.

Reviews should be unbiased.

Members of the Somanystadiums.com community may not coerce, intimidate, extort, threaten, incentivize, or manipulate another person in an attempt to influence a review, like promising compensation in exchange for a positive review or threatening consequences in the event of a negative review.

Reviews may not be provided or withheld in exchange for something of value—like a discount, refund, reciprocal review, or promise not to take negative action against the reviewer. They also may not be used as an attempt to mislead or deceive Somanystadiums.com or another person. For example, guests should not write biased or inauthentic reviews as a form of retaliation against a Host who happens to be a fan of a different team.

Reviews may only be provided in connection with a Tailgate. For example, Hosts are not allowed to accept a fake reservation in exchange for a positive review, use a second account to leave themselves a review, or coordinate with others to manipulate the review system.

Reviews may not be used for the purpose of harming competition. For example, Hosts are not allowed to post biased reviews of Tailgate listings they are affiliated with or directly compete with.

Reviews should be relevant.

Reviews must provide relevant information about the reviewer's experience with the Host, guest, or Tailgate that would help other community members make informed booking and hosting decisions.

If a guest never arrived for the Tailgate or had to cancel due to circumstances unrelated to that Tailgate, their review may be removed.

Reviews should follow our content policy.

Reviews may not contain explicit, discriminatory, harmful, fraudulent, illegal, or other content that violates our Content Policy.

We take the removal of any review seriously and only do so where there is a clear violation of this policy. Depending on the nature of the violation, we may also restrict, suspend, or remove the associated Somanystadiums.com account.

This policy may be applied differently in different places to reflect what local law permits or requires.

Responding to reviews

While we expect all community members to post reviews that represent their genuine experience and contain accurate information, we do not generally mediate disputes concerning the truth of reviews. Instead, we allow individuals to post responses to reviews within 30 days.

Removing a review you wrote

Once a review you've written has been published, you can contact us to request for it to be removed.

Nondiscrimination Policy

Somanystadiums.com is about creating a community that enjoys sporting events, primarily college football. The tailgating experience can be hard to create for casual or visiting fans. Accordingly, we built a platform that allows for those folks to connect with people that are experienced tailgaters. We want a community where people from every background feel welcome and respected, no matter how far they have traveled from home or what team they root for. This commitment rests on two foundational principles that apply both to Somanystadiums.com's hosts and guests: inclusion and respect. Our shared commitment to these principles enables all members of our community to feel welcome on the Somanystadium.com platform no matter who they are, where they come from, how they worship, or whom they love.

We know fans passions run deep but we also know that there's often a common bond and "language" that can bring fans of all different types together. We are not trying to change the world, but we do believe that the Somanystadiums.com community can create an environment where we can look away from differences and find common ground. We are all committed to doing everything we can to help eliminate all forms of unlawful bias, discrimination, and intolerance from our platform. We want to promote a culture within the Somanystadiums community—hosts, guests and people just considering whether to use our platform—that goes above and beyond mere compliance. To that end, all of us, Somanystadiums.com employees, hosts and guests alike, agree to read and act in accordance with the following policy to strengthen our community and allow everyone to feel the joy and camaraderie of spectator sports whether rich or poor, black or white, heterosexual or homosexual, or SEC or ACC affiliated.

Inclusion – We welcome people of all backgrounds with authentic hospitality and open minds. Joining Somanystadiums.com, as a host or guest, means becoming part of a community of inclusion. Bias, prejudice, racism, and hatred have no place on our platform or in our community. While hosts are required to follow all applicable laws that prohibit discrimination based on such factors as race, religion, national origin, and others listed below, we commit to do more than comply with the minimum requirements established by law.

Respect – We are respectful of each other in our interactions and encounters. Somanystadiums.com appreciates that cultural norms vary throughout the U.S. and expects hosts and guests to engage with each other respectfully, even when views may not reflect their beliefs or upbringings. This is particularly true with the ever-changing conference landscape. Somanystadiums.com's members bring to our community an incredible diversity of background experiences, beliefs, and customs. By connecting people from different backgrounds, Somanystadiums.com looks to help build spaces where we can all have a little fun, without judgement or recrimination. We also understand a little good-natured teasing

or ribbing may happen to fans from opposite teams. However, it should never be hurtful and stay within the bounds of appropriate behavior. We are all here to have a good time, don't be the problem.

Our host community will follow these rules when considering potential guests and hosting guests:

Race, Color, Ethnicity, National Origin, Religion, Sexual Orientation, Gender Identity, or Marital Status

Somanystadiums.com hosts may not:

Decline a Tailgate booking based on race, color, ethnicity, national origin, religion, sexual orientation, gender identity, or marital status.

Impose any different terms or conditions based on race, color, ethnicity, national origin, religion, sexual orientation, gender identity, or marital status.

Post any listing or make any statement that discourages or indicates a preference for or against any guest on account of race, color, ethnicity, national origin, religion, sexual orientation, gender identity, or marital status.

Gender Identity

Somanystadiums.com does not assign a gender identity to our users. We consider the gender of individuals to be what they identify and/or designate on their user profiles, and we expect our community to do the same. This includes respecting the pronouns (he/him, she/her, they/them, etc.) any users within the community identify themselves with.

Somanystadiums.com hosts may not:

Decline a booking from a guest based on gender identity.

Impose any different terms or conditions based on gender.

Post any listing or make any statement that discourages or indicates a preference for or against any guest on account of gender.

Age and Familial Status

Somanystadiums.com hosts may not:

Impose any different terms or conditions or decline a reservation based on the guest's age or familial status, where prohibited by law.

Somanystadiums.com hosts may:

Provide factually accurate information about their listing's features (or lack of them) that could make the listing unsafe or unsuitable for guests of a certain age or families with children or infants.

Disability

Somanystadiums.com hosts may not:

Decline a guest based on any actual or perceived disability.

Impose any different terms or conditions based on the fact that the guest has a disability.

Inquire about the existence or severity of a guest's disability, or the means used to accommodate any disability. If, however, a potential guest raises his or her disability, a host may, and should, discuss with the potential guest whether the listing meets the potential guest's needs.

Prohibit or limit the use of mobility devices.

Charge more in fees for guests with disabilities, including pet fees when the guest has a service animal.

Post any listing or make any statement that discourages or indicates a preference for or against any guest on account of the fact that the guest has a disability.

Refuse to communicate with guests through accessible means that are available, including relay operators (for people with hearing impairments) and e-mail (for people with vision impairments using screen readers).

Somanystadiums.com hosts may:

Provide factually accurate information about the Tailgate location accessibility (or lack of thereof), allowing for guests with disabilities to assess for themselves whether the Tailgate is appropriate to their individual needs.

Personal Preferences

Somanystadiums.com hosts may:

Except as noted above, Somanystadiums.com hosts may decline a booking based on factors that are not prohibited by law. For example, except where prohibited by law,

Somanystadiums.com hosts may decline a booking with pets, or to guests who smoke.

Require guests to respect restrictions on foods consumed during the Tailgate listing (e.g., a host who maintains a Kosher or vegetarian Tailgate may require guests to respect those restrictions). These restrictions should be stated clearly in your house rules. For example, an Somanystadiums.com host may turn down a guest who wants to smoke in a unit, or place limits on the number of guests in a unit.

When guests are turned down. Hosts should keep in mind that no one likes to be turned down. While a host may have, and articulate, lawful and legitimate reasons for turning down a potential guest, it may cause that member of our community to feel unwelcome or excluded. Hosts should make every effort to be welcoming to guests of all backgrounds. Hosts who demonstrate a pattern of rejecting guests from a protected class (even while articulating legitimate reasons) undermine the strength of our community by making potential guests feel unwelcome, and Somanystadiums.com may suspend hosts who have demonstrated such a pattern from the Somanystadiums.com platform.

What Happens when a Host does not follow this Policy?

If a particular listing contains language contrary to this nondiscrimination policy, the host will be asked to remove the language and affirm his or her understanding and intent to comply with this policy and its underlying principles. Somanystadiums.com may also, in its discretion, take steps up to and including suspending the host from the Somanystadiums.com platform.

If the host improperly rejects guests on the basis of protected class, or uses language demonstrating that his or her actions were motivated by factors prohibited by this policy, Somanystadiums.com will take steps to enforce this policy, up to and including suspending the host from the platform.

As the Somanystadiums.com community grows, we will continue to ensure that Somanystadiums.com's policies and practices align with our most important goal: To ensure that guests and hosts feel welcome and respected in all of their interactions using the Somanystadiums.com platform. The public, our community, and we ourselves, expect no less than this.
